Q & A 问与答

- Q** What is the USP of Kinohimitsu Go-White?
A Kinohimitsu Go-White is a grab and go oral functional food which provides quick fix to systemic UV protection that lasts up to 4 hours.
- Q** Is the lightening of pigmentation effect permanent? Will the spots re-appear once I stop taking it?
A So far, there are no supplements, skin care products or aesthetic methods which can guarantee the lightening of pigmentation effect permanently. Hence, it is best recommended to take on daily basis in order to shield skin from damaging UV rays and enjoy glowing skin.
- 问** Kinohimitsu Go-White 的独特卖点是什么?
答 Kinohimitsu Go-White 是一款即开即食的功能性食品，它可以提供长达4小时的全身性紫外线防护。
- 问** 淡化黑色素的效果能否持续永久？我停止服用后，黑斑会再次浮现吗？
答 目前没有任何补充品、护肤品或美容方法可以保证黑色素的淡化效果可以保持永久。因此，建议每天食用，以保护肌肤免受紫外线的侵害，保持肌肤亮白。
